Custom chap orders are non-refundable and non-returnable! Exceptions will be made for manufacturing defects. Carmel Designs must be notified within 3 days of delivery if there is a defect with your order.

Alterations are free for 30 days after the chaps are received by the store. We gladly work with customers on fit as sometimes measurements just do not tell the whole story of someone's shape or size. Accurate measurements are essential and most alterations that we do are due to inaccurate measurements.
